SCAA
Samoset Camps Alumni Association

A major intent of the Team Ready Foundation incorporation was to fill a gap caused by the absence of a camp alumni association. As part of this summer's camp reunion, the official camp alumni association will be unveiled. Team Ready officers have been instrumental in starting this association, so they have our full support to expand the CLSR Fellowship program.

We will work closely with the Samoset Camps Alumni Association officers to make a smooth transition. We thank all Team Ready members & friends that have contributed to our scholarship programs since 2004 and encourage you to join us in continuing to financially support staff scholarships through the SCAA. More details will be shared at the reunion and on the alumni website.
