Fall 2006

In our 11th year of playing together in the **World's Largest Trivia Contest**, we finally cracked the top 100 (out of over 400 teams). Jason & Liz hosted the festivities again this year, which included a visit from a WDEZ radio crew with a free Subway Party Platter.

After only cooking in March, we added a service project to the May **Camp Training Weekend**. 10 members and alumni joined together to re-finish three existing bunk beds at Hanna Venture Base and construct five additional new bunk beds.

Although not our traditional Memorial Day weekend (they played out of town this year), still over 30 people joined together to tailgate and attend a June **Milwaukee Brewer Game** for a fifth straight summer.

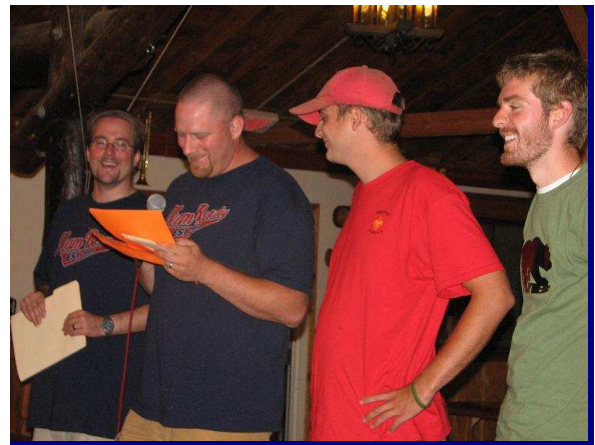

Our 2nd annual **Charity Softball Tournament** was held in July. And despite some nasty weather again this year, we were able to raise over \$1700 for the Children's Miracle Network. A big thank you to Brian & his crew of 20 volunteers that helped with concessions, grilling, raffles, grounds keeping, score booking and umpiring.

This year's **Schultz Golfing Memorial** was moved to Iola, but Team Ready members still fielded a foursome again this year (all five years of the event so far). And we also became a hole sponsor this year - see page 2 photo.

For a third year in a row, Team Ready was able to provide a **CLSR Camp Staff Fellowship** to deserving senior staff members to assist with their secondary education plans.

Jason & Stove finishing up the HVB bunk beds

Josh & Drew presenting CLSR Fellowship awards

Recaps of major activities highlighted on Team Ready website for a month or two following each event, and full photo albums are archived in our website gallery.

Memorabilia

Team Ready t-shirts now available
Contact Todd - \$10/each (M-XXL)

A few Team Ready ball caps remain
Contact Brian - \$15/each (Flex fit)

10% discount for registered members

Upcoming Activities

Guys Weekend -

Saturday includes helping to insulate Stove & Aurise's attic, and then checking out the Manitowoc nightlife. Sunday is the traditional trip to Lambeau Field for the Packer game. All ladies are encouraged to set up a similar "Girls Weekend".

Service Fundraiser -

Our services have again been requested to help out a relative of a member, this year with a re-roofing project. And the beneficiary is willing to make a donation to cover the costs of our tax-exempt filling fees.

Habitat for Humanity -

This year we will be offering our assistance to the Central Wisconsin Division for a home in Stevens Point, with multiple weekends to pick from. We will likely to be helping with some interior finish work, with all skill levels welcomed.

Winter Banquet -

Josh & Renee have agreed to host our annual holiday gathering. Plan to bring a dish to pass for dinner and a non-perishable item(s) to donate to our food drive. Let Brian know if you have any pictures or songs for the slide show.

Team Ready Calendar

September 16-17, 2006:

8th Annual "Guys Weekend"
Manitowoc/Green Bay, WI

Contact Stove - adstove@yahoo.com
