Fall 2007

In addition to continuing to prepare the meals at the **Camp Staff Training** weekends, helping with an extra service project has become a regular occurrence. The winter weekend included assembling cabinets for the new health office, and the spring weekend saw the start of the Koskelin Welcome Center log cabin

Many weekends and many groups have been involved with the construction of this memorial cabin. While still in progress, the building was able to be used this summer. It is currently enclosed for the winter, with plans to add the finishing touches next spring. Thank you to all members of the alumni, construction crew, camp leaders, ordeal crews and camp staff for your assistance in this project.

Despite coming out on the short end of the scoreboard, another Team Ready contingent got together to tailgate and watch a **Brewer Game** at Miller Park again this spring - hopefully, there will be a victory to watch next season.

The longest running tradition of Team Ready members getting together to play in the World's Largest **Trivia Contest** continued this spring. *Team Ready 'R' Us* finished in the top 1/3 again this year, and looks forward to keeping it going next spring.

The third annual Team Ready **Charity Softball Tournament** was a big success this summer, with over \$3000 raised for the benefit of the Make-A-Wish Foundation® of Wisconsin. Thank you to the many members and friends that assisted before and during the weekend with the raffles, concession stand, grounds keeping, scoring and umpiring; as well as all the players, fans, sponsors and donors.

This fall's **Guys Weekend** was held at the Point Beach State Park, with camping, fishing and washer tossing, before getting together to watch a (victorious) Packer game. This year also included another community service project by staffing the Red Cross booth at the Two Rivers Ethnic Fest - Thanks to all the guys that helped!

For a fourth consecutive year, the Team Ready Foundation presented several **Fellowship Awards** to deserving senior staff members at the Crystal Lake Scout Reservation to assist with their post secondary education plans and to encourage the return of fellow quality staff members - Congratulations to Troy, Jeremy, Ben, Jim and Rose. Contributions and applications for next year are already being accepted, check out the background of this award at www.teamready.org/CLSRfellowship.

UPCOMING ACTIVITIES

Habitat for Humanity: October 13, 2007 -

Team Ready members will again be joining forces with the Central Wisconsin chapter of Habitat for Humanity to continue construction of a home for a disadvantaged family in one of our local communities. Please let Justin know if you can help, and check out www.teamready.org/service.

Winter Banquet: January 12, 2008 -

Our annual holiday gathering is being hosted by Jason & Liz Anderson at their home in Stevens Point this year. Socializing, potluck dinner, service & contributor award presentations, and slide show montage will highlight the evening. Watch our website for future updates, and check out www.teamready.org/banquets.
