Spring 2008

Coming together to help others has been the foundation of Team Ready's existence. Construction weekends first began while many members worked at the summer camp, then blossomed as families began to acquire their first homes, and now those skills are regularly being shared throughout our communities.

While having helped with assorted construction projects for different causes over the past several years, Team Ready is proud to have developed an on-going relationship with local **Habitat for Humanity** chapters for our annual fall service project - often spending several weekends per year preparing a home for an underprivileged family in our area. A return visit was included this spring, as our group has been asked to provide a greater leadership role in the next Stevens Point home throughout this summer. Lending a hand, regardless of skill level, is always welcomed.

Winter Banquet crew modeling the new Anderson Sun Porch

Thank you to the Anderson family for hosting our annual **Winter Banquet**. Along with sharing in a potluck dinner and social time, we continued to collect food donations for a local pantry and closed with a traditional slide show retrospect of the past year's events.

We were also happy to present service & contributor awards for another year. Thank you and congratulations to those that reached new levels for the service awards: Rick Amelse, Rob Amelse, Justin Anderson, Will Churchill, Rob Hughes, Simon Larson, Scott Polebitski, Brian Sackmann, Sandy Sackmann, Shirley Sackmann, Todd Sackmann and David Stachovak. And to organizers of our formal events and financial supporters as well: Jason & Liz Anderson, Justin Anderson, Will & Christy Churchill, Matthew Gauder, Rob Hughes, Bill Johnson, Todd McDonald, Drew & Joy Nelson, Dave Polebitski, Scott Polebitski, Brian Sackmann, Todd Sackmann, Aaron Stachovak, Josh & Renee Stevens and Ed Zahn.

Mission Statement: To provide physical and financial assistance to local charitable organizations, while providing fun and rewarding experiences for our members and friends.

Once again, Team Ready is proud to sponsor the Team Ready CLSR Staff Fellowship for 2008. This is awarded to those staff members who both require the financial assistance in order to return to the Crystal Lake Scout Reservation and have demonstrated unique leadership ability and talents that would be difficult for the Reservation to replace if they were not able to return to serve the youth that attend the summer camps there.

Team Ready's involvement stems from the fact that many members of TR once served on camp staff there, and for many of us, it was through the civic responsibility taught to us through scouting that led to the foundation of Team Ready as an organization dedicated to service in our communities. Please consider donating to the fellowship in order to assure continued, quality, and knowledgeable leadership is consistently available to serve the scouts that attend Akela's World Cub Scout Camp, Hanna Venture Base, and Tesomas Scout Camp, "Where Camping IS King".
